

XISHAN PRIMARY SCHOOL

Reference Number: LTP/2022/111

8 July 2022

Dear Parents/Guardians,

P5 Semester 2 Assessment Schedule

1. The school will be conducting a series of assessments in Semester 2 for Primary 5 to support and facilitate the students in their learning. These assessments are designed in different modes aimed to provide students with feedback to move their learning forward.
2. Attached is Semester 2 Assessment Schedule which includes assessment coverage for key assessments in English, Mathematics, Science and Mother Tongue. The End-of-Year Examination Schedule which includes the coverage for the respective subjects has also been attached for your reference.
3. Please note that if your child/ward is absent for class-based assessments due to valid reasons, the school will arrange for him/her to sit for the make-up assessment within the next 5 working days.
4. For End-of-Year examination, please note that there will no make-up papers for those who are absent. The absence of your child/ward must be supported with a medical certificate (MC) from a certified doctor. He/She is to submit the MC to the Form Teacher upon returning to school. Thereafter, he/she will be given a 'Valid Reason' (VR) for the examination and the marks will be pro-rated accordingly. For any student whose absence is not supported by an MC, the paper will be awarded zero mark.
5. If you have any questions, please email the school at xishan_ps@moe.edu.sg or you may contact us at 6758 8837.
6. We look forward to working in close partnership with you to provide the best support in your child's/ward's learning.

Thank you.

Yours faithfully,

Mrs Anne Quek
Principal
